Re: Employment Question & Answer Document

Date: June 5, 2015

Please find an enclosed Q&A document that will hopefully clear up any confusion regarding what constitutes a day of Supported Employment as defined by the DDA Home and Community Based Waiver. In response to questions at the regional meetings with MACS providers and review of the input from the state listening sessions this past fall, DDA has developed a Q&A for Employment Services.

Please take a moment to familiarize you with the information and feel free to share it with other stakeholders. I hope this information answers your questions and creates more opportunities to support people in their vision to become involved with community integrated competitive employment.

If you have questions about a specific circumstance, please feel free to contact Danielle Lyons at Danielle.Lyons@Maryland.gov or call at 410.767.5631.
